EDITION 2020

Exclusively dedicated to waste management in Algeria, **REVADE** is the International Wastes Recovery & Valuation Exhibition in Algeria.

Economic and technical event, **REVADE** is the major meeting place for companies collecting, transporting, sorting and recovering waste, as well as all the skills related to these fields.

Under the theme: **Circular economy, a step towards sustainable development**, the 5th edition of **REVADE** will be held from **October 5th to 8th, 2020** at the Exhibition Palace, Pins Maritimes, Algiers, Algeria.

REVADE offers a major opportunity for discovering and transferring technology and a place where the main actors in the wastes market meet with suppliers of experience and processes, from Algeria and elsewhere.

Co-organized by the Algerian Chamber of Commerce and Industry and the Algerian Waste Agency, **REVADE** emphasizes on the need for inter-sectoral collaboration to optimize all the actions undertaken, starting with the implementation business relationship.

The rendezvous is taken for all of you who are concerned by the waste market: public authorities, economic operators, equipment manufacturers, academics and researchers.

REVADE 2020, is organized into three areas :

EXHIBITION

B2B

WORKSHOPS

CONFERENCE DEBATES :

CIRCULAR ECONOMY, A STEP TOWARDS SUSTAINABLE DEVELOPMENT

The conferences program is being developed in response to the current problems in which stakeholders from the entire wastes market are involved.

WORKSHOPS :

- Presentation of the landfill and sorting center. How it works? Why sorting wastes? What happens to them when they are put in the bin?
- Presentation of new projects, prototypes and wastes management processes by researchers and project leaders
- Presentation of associations working in the field of wastes recovery. What is their role?
- Presentation of new training courses in the wastes management sector : training center, institutes, organizations, etc ...
